

PRINCE2™ Foundation

Gain one of the world's most recognised project management certifications

Overview

This course introduces you to the PRINCE2 project management method.

The course includes the APMG PRINCE2 Foundation examination.

Successful delegates will gain certification at PRINCE2 Foundation level.

Why choose CC Consulting

We offer a huge range of courses, course providers, locations and dates.

We provide responsive, personal service – we help you find the right training to suit your particular circumstances.

We are the one-stop-shop for PRINCE2 information - we have a PRINCE2 website, on-line PRINCE2 forum and comprehensive information about the courses we sell. We can also provide you with official manuals and our own renowned *Crazy Colour* workbooks and PRINCE2 reference materials.

where you can book on-line and learn more about PRINCE2.

Take away concepts

Expect to learn:

- The principles of the PRINCE2 project management method
- How to start, control and close projects
- How to manage quality
- How to manage risk
- How to deliver projects on time, within budget and to the specified business case.

Topics covered

- The eight PRINCE2 processes, and how they are used throughout the life cycle of a project:
 - Starting up a Project
 - Initiating a Project
 - Directing a Project
 - Controlling a Stage
 - Managing Product Delivery
 - Managing Stage Boundaries
 - Closing a Project
 - Planning.
- Components - identifying each component of a PRINCE2 project, and how it supports Project, Risk and Quality Management
- Exam preparation – review of key exam topics; how to answer; mock exams marked by the trainer; and personal feedback for each delegate.

Pre-requisites

No formal pre-requisites.

People with project experience will find the material easier to pick up.

We recommend all delegates, regardless of their experience, take advantage of our pre-course study materials.

What is PRINCE2?

PRINCE2 (PRojects IN Controlled Environments) was originally developed by the UK government to manage its own projects.

PRINCE2 provides common processes, management products roles and language for use throughout all an organisation's projects.

PRINCE2 is now the most successful project management method in the world – it has become a de facto standard in both the private and public sectors.

Who will benefit?

The course is suitable for:

- Project managers
- Project team managers and leaders
- Project co-ordinators
- Project support staff
- Project officers
- Consultants and contractors.

Format

Pre-course self-paced study followed by a three day instructor led training course with one examination.

Examination

Foundation examination – held on day three, a one hour multiple-choice closed-book examination with 75 questions (38 to pass).

Next steps

After PRINCE2 Foundation certification you may consider gaining:

- PRINCE2 Practitioner certification
- ITIL® qualifications.

What you get when you book with us

Our price includes all pre-course reading, course materials, the PRINCE2 manual, examination fees, training fees, snacks and lunches.

Book with us, you'll appreciate our comprehensive approach when you sit the examination and later when you need to apply the method in practice.

Pre-course preparation

Comprehensive printed and on-line materials to prepare you for the course.
