What is PRINCE2?

PRINCE2 (**PR**ojects **IN** **CC**ontrolled **E**nvironments) was developed by the UK government to manage its projects.

PRINCE2 is the most successful project management method in the world – it has become a de facto standard in both the private and public sectors.

PRINCE2 provides common processes, management products roles and language for use throughout all an organisation's projects.

Who will benefit?

This overview is ideal for directors, executives, programme and project managers who require a high level overview of PRINCE2 and how PRINCE2 trained staff can deliver benefits to your organisation.
