

PRINCE2™ Practitioner

Gain one of the world's most recognised project management certifications

Overview

This course provides you with practical knowledge of how to manage projects using the PRINCE2 method.

The course includes the APMG PRINCE2 Practitioner examination.

Successful delegates will gain certification at PRINCE2 Practitioner level.

Why choose CC Consulting

We offer a huge range of courses, course providers, locations and dates.

We provide responsive, personal service – we help you find the right training to suit your particular circumstances.

We are the one-stop-shop for PRINCE2 information - we have a PRINCE2 website, on-line PRINCE2 forum and comprehensive information about the courses we sell. We can also provide you with official manuals and our own renowned *Crazy Colour* branded workbooks and PRINCE2 reference materials.

How to book

where you can book on-line and learn more about PRINCE2.

Take away concepts

Expect to learn:

- The PRINCE2 project management method
- The implications of using and implementing PRINCE2
- To apply the principles of PRINCE2 to projects
- To manage quality and risk
- To deliver projects on time, within budget and to the specified business case.

Topics covered

- The eight PRINCE2 processes, and how they are used throughout the life cycle of a project:
 - Starting up a Project
 - Initiating a Project
 - Directing a Project
 - Controlling a Stage
 - Managing Product Delivery
 - Managing Stage Boundaries
 - Closing a Project
 - Planning.
- Components - identifying each component of a PRINCE2 project, and how it supports Project, Risk and Quality Management
- Applying PRINCE2 in practice
- Our unique immersion case study practical exercise
- Exam preparation – review of key exam topics; how to answer; mock exams marked by the trainer; and personal feedback for each delegate.

Pre-requisites

You must have gained PRINCE2 Foundation certification. If you gained Foundation certification more than six months ago talk to us about how to prepare for the examination.

What is PRINCE2?

PRINCE2 (PRojects IN Controlled Environments) was developed by the UK government to manage its own projects.

PRINCE2 provides common processes, management products roles and language for use throughout all an organisation's projects.

Now PRINCE2 is the most successful project management method in the world – it has become a de facto standard in both the private and public sectors.

Who will benefit?

The course is suitable for:

- Project managers
- Project team managers and leaders
- Project co-ordinators
- Project support staff
- Project officers
- Consultants and contractors.

Format

A two day instructor led training course with one examination.

Examinations

Practitioner – held on day two, a three hour multiple-choice open-book (PRINCE2 Manual only) examination with a total of 360 marks available (50% to pass).

Next steps

After PRINCE2 Practitioner certification you may consider gaining:

- ITIL® qualifications
- MSP™ certification.

What you get when you book with us

Our price includes all pre-course reading, course materials, examination fee, training fees, snacks and lunches.

Book with us, you'll appreciate our comprehensive approach when you sit the examinations and later when you need to apply the method in practice.

Pre-course preparation

Comprehensive printed and on-line materials to prepare you for the course.
